Instructions for Graded Review Questions

1. Time allowed: **Unlimited**
- We encourage you to go back and review the materials to find the right answer
 - Please remember that the Review Questions are worth 50% of your final mark.
2. Attempts per question:
- One attempt - For True/False questions
 - Two attempts - For any question other than True/False
3. Clicking the "**Final Check**" button when it appears, means your submission is **FINAL**. You will **NOT** be able to resubmit your answer for that question ever again
4. Check your grades in the course at any time by clicking on the "Progress" tab

Review Question 1

1/1 point (graded)
You want to select an author's name from a table, but you only remember the author's last name starts with the letter B, which string pattern can you use?
